SUBMISSION OF SUBSTITUTE PTO-1449

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Applicants filed a second Information Disclosure Statement on June 16, 2000. That Information Disclosure Statement provided copies of a number of references, including two brochures, which were listed under "other documents" on the PTO-1449 that accompanied the Information Disclosure Statement. The PTO-1449 enclosed with the June 16 Information Disclosure Statement did not include the publication dates for those two brochures. Applicants submit the enclosed Substitute PTO-1449, which includes the publication dates for the two brochures mentioned above. Consideration of the references cited in the June 16, 2000 Information Disclosure Statement is requested.

Respectfully submitted,
